larity or delay. The delivery of the Daily Press from this office com menced on Monday morning at 10.20, and the last messengers left the office at 10.43.

The Daily Press.

Hongkong, November 974, 1869. THE American Mail, which arrived yesterday, brings a revelation that has appeared in the columns of the Alta Colifornia, with regard to the Burlingame Mission, and which is a most interesting detail of kiets connected with the movement that has yet come before the public. The chief features as proved by Mr. HART'S Own assertions, are now open for notice, and it may be stated at the outset cording to the circumstances in each case. that a more complete confirmation of the is so much calculated to misled that it is cook with having been an accessory to the the temerity to make it. It may fairly be signed to ent. most important section of the "Press" con-
